DO NOT PURCHASE A CALCULATOR

With the adoption of the new Everyday Mathematics program every child from Kindergarten to grade 2 is required to have a calculator. In order to ensure that each child has a developmentally appropriate calculator, ISP has ordered calculators for each child. The cost of the calculator for students in Kinder to second grade is \$12.00. Your calculator will be your child's to keep. You will be billed by the school for the cost of this calculator.

- **ISP celebrates its diversity therefore we encourage all children to have a national costume and/or flag available for special events!**

ALL items sent to school must be labeled with your child's name & class (e.g. Sally - 2nd. Grade)

Best Regards,
2nd Grade Team
